Sunrise _____ a.m.

Sunset _____ p.m.

Day **9**

Read about the Everglades. Then put a cross in the circles to show the pictures that were not taken in the Everglades.

The Everglades

The Everglades is one of America's largest national parks. It is located in the southern tip of Florida, just west of Miami. It is a wetland, meaning that the entire area is covered by shallow waters! Despite having water everywhere, it is home to many plants and animals.

Days 13 – 14

Read about the American flag. Then complete the list.

The American Flag

The American flag has seven red stripes, six white stripes, and 50 white stars. The stripes represent the original colonies of the U.S. and the stars represent the 50 states.

Look around your home or neighborhood for five places or items with the American flag. List them below.

Places/Items with the American Flag:

1. _____

2. _____

3. _____

4. _____

5. _____

The tallest mountain in North America, Denali, has a height of 20,310 feet and is located in Alaska. Like other tall mountains, as you climb up, the temperature decreases and the air gets thinner. For this reason, special equipment and training are required to climb mountains.

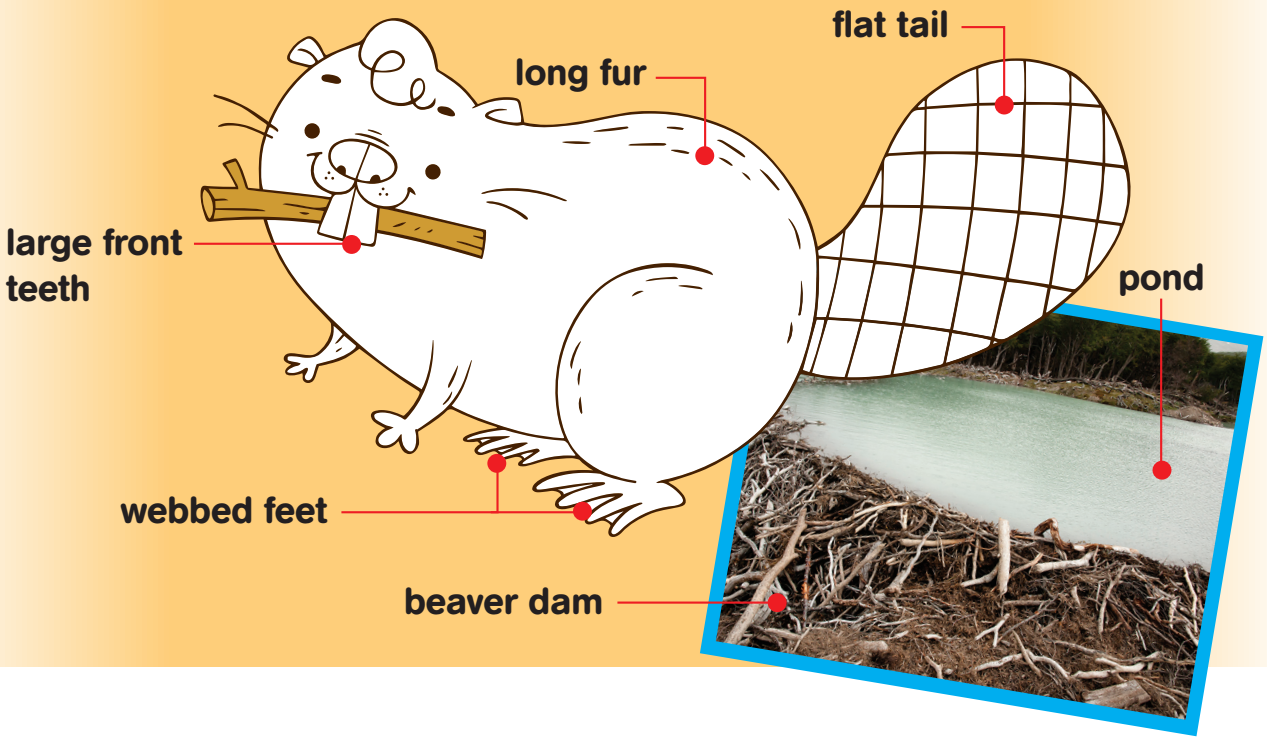
Day **128**

Color the beaver. Then fill in the blanks with the help of the words from the diagram.

The Beaver



The American beaver has a coat of long, brown _____ , a black, flat _____ , webbed _____ , and large front _____ . Beavers live in lakes, rivers, ponds, and streams throughout the United States. They spend their time chewing on trees to cut them down. They then use the trees and branches to build their homes. Beavers also build _____ using trees and mud to create new _____ to live in.

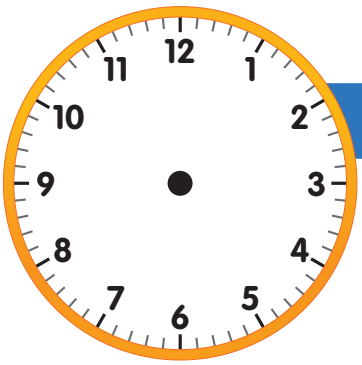
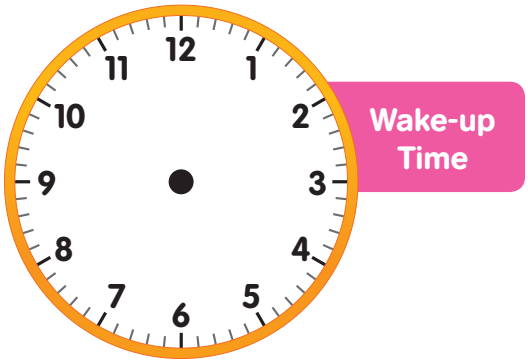
Days 311 – 312

Draw the clock hands to show your bedtime and wake-up time for 2 days. Then write how many hours of sleep you got each night.

Sleeping, like eating, is important for all of us. Sleeping allows our bodies and brains to rest so they can continue to work properly. An eight-year-old child needs about 10 to 11 hours of sleep each night. Try to go to sleep and get up at the same time every day. This will improve your sleep quality.

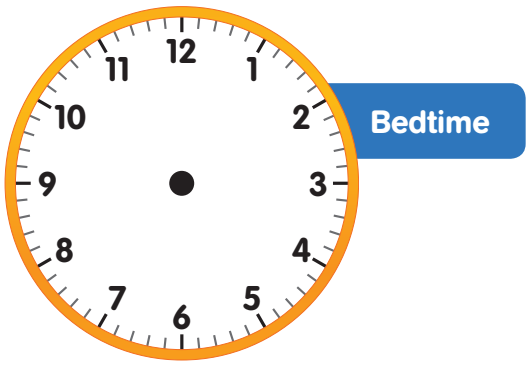
Day 1

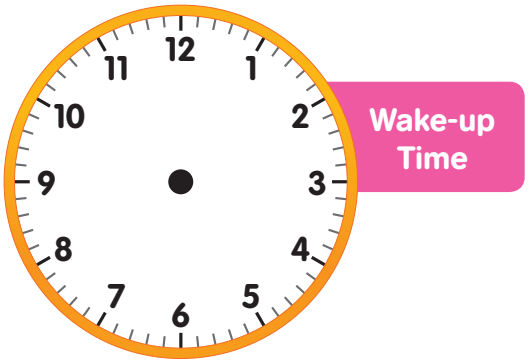




_____ hours of sleep

Day 2





_____ hours of sleep
