## Science

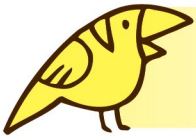

<b>1</b>	Our Four Seasons	253
<b>2</b>	My Healthful Diet	269
<b>3</b>	Interesting Animals and Plants	285

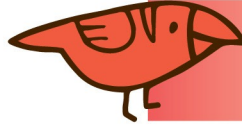

## Answers

Mathematics	300
English	306
Science	310

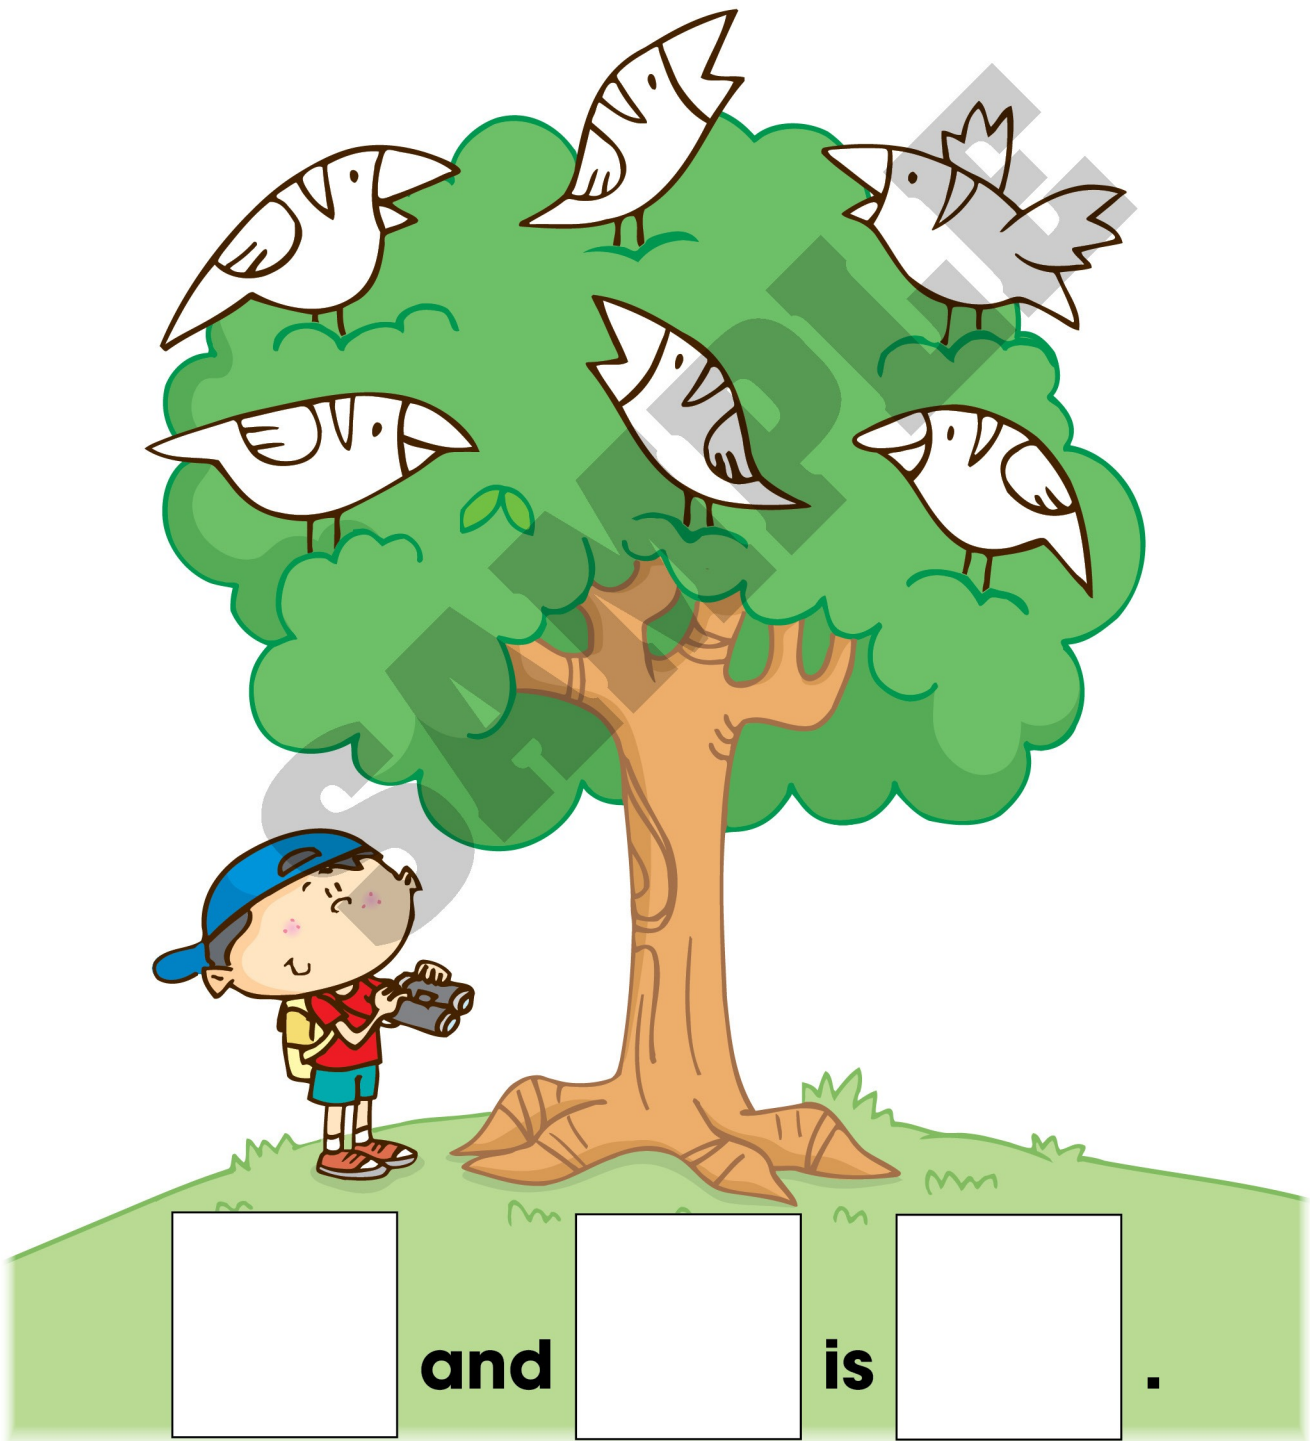

E. Color the birds. Count and write the numbers. Then find the total.

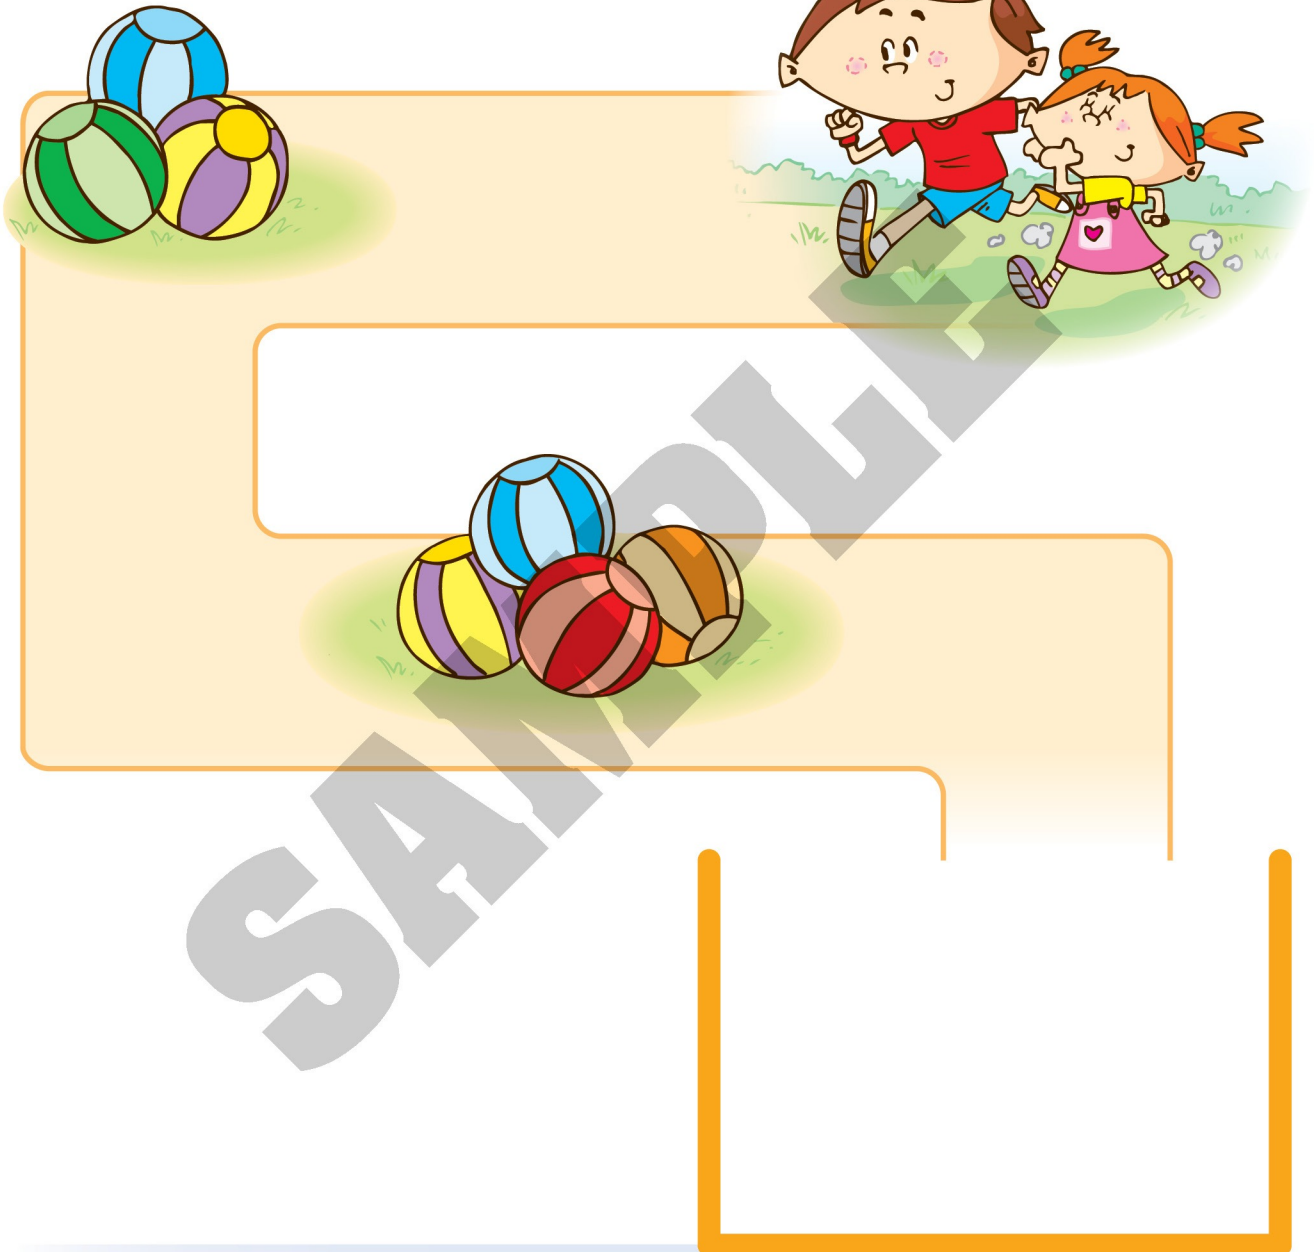

3 yellow

3 red

F. Draw a line to help Max and Rosie collect all the balls. Draw the balls in the basket. Then write the numbers and find the total.

and

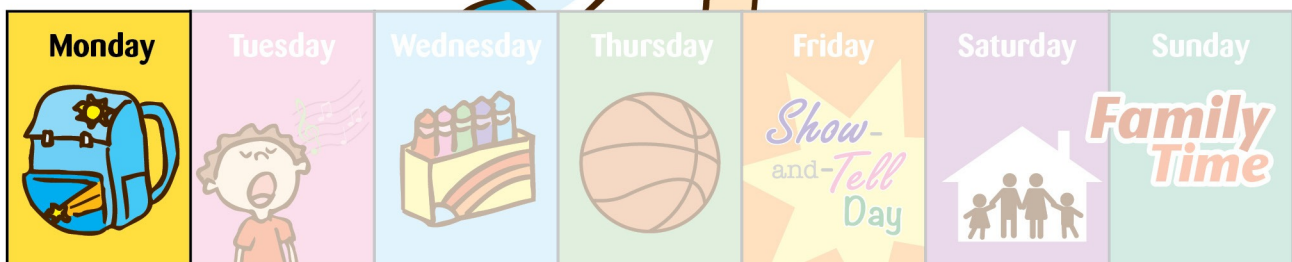

is

.

- A. Color "Monday." Then color Rosie's backpack to help her get ready for school.

On **Monday,**  
Rosie goes to school.

- B. Color "Tuesday." Then circle the musical instruments that the teacher and the children are playing.

On **Tuesday**,  
the children have music class.

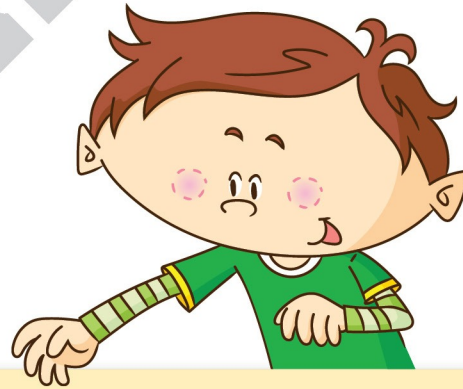

- G. Follow the steps to plant seeds. Then observe and write the numbers.**

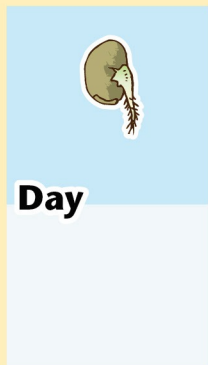

## Planting Seeds

### Steps:

1. Fold a paper towel and dampen it with water.
2. Take some seeds and fold them into the damp paper towel.
3. Make sure to keep the paper towel damp each day.
4. Check on the seeds to see how they look.

### My Record

H. Fill in the boxes with the correct words.

# Needs of Plants

sun  
water  
air  
soil
