Bat Facts

Unit 10 218 – 221
Big Red Rescuer

Review 4 222 – 227

Answers 229 – 258

Language Games 259 – 272

Consonants

A consonant is the sound of a letter in a word that is not a vowel (a, e, i, o, or u). It can be at the beginning, in the middle, or at the end of a word.

A. Say the things. Then circle the correct consonants.

Beginning Consonant

sun

leaf

pan

Beginning Consonant

bat

fish

duck

Middle Consonant

water

shiver

coral

Middle Consonant

koala

petal

banana

Ending Consonant

pot

box

drop

Ending Consonant

bus

pen

jar

- B. Say the things and write the words. Then check to show the beginning, middle, and ending consonants.

One of them has two check marks!

	Beginning Consonant		Middle Consonant		Ending Consonant

 _____						
 _____						
 _____						
 _____						
 _____						
 _____						

C. Say the things. Then write the correct beginning, middle, and ending consonants.

Beginning Consonant

__ueen

__ouse

__urtle

__urse

Middle Consonant

I love playing
hoc__ey!

bea__er

fai__y

Ending Consonant

This is a good
boo__.

- D. Read the passage and circle the letter “n” in the words with the specified colors.

Alaska

Alaska is our largest and northernmost state. It is near the North Pole so it is very cold there. Despite the cold weather, many animals such as polar bears and moose call Alaska home.

In Alaska, there are two months of darkness and two months of daylight. You might see the sun shining at nine o'clock at night in June, just like it does at noon!
